How to video call

Open WhatsApp on your phone and click 'Calls'.

Press the icon showing a phone with a plus symbol next to it.

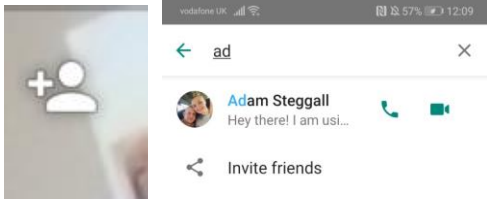

Click the magnifying glass icon and type the name of the person you want to call.

Alex Smith

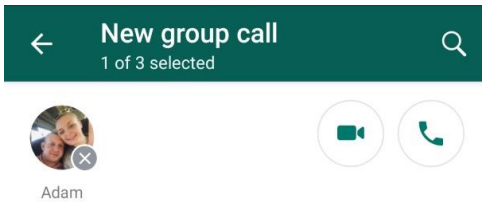

Click the symbol that looks like a camera next to their name to start video calling.

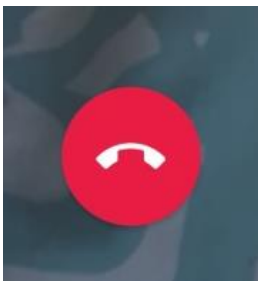

How to video call

You can add other people into a video call to turn it into a group chat. During the video call, just click the add participant icon and search for their name to add them.

If you prefer you can begin the call as a group chat by clicking 'new group call' and selecting who you would like to call.

To end the call, just click the red phone icon.
